First thirty for The Mossie

Lucky Thusi

THE Mossie Primary School finally opened the much anticipated Grade R class on Wednesday January 18.

Thirty learners enrolled for the first time. This is a school which opened its doors again last year after

ten dormant years. It had 90 learners when it started and now boasts 580 learners. It too had difficulties with the late registration on Wednesday, where late applications were flooding the school.

"There's nothing we can

do now because we are full, we can only take ten more for Grade 5 and 6. Thanks also to Werner Neetling from Alberton who assisted the school in renovating the Grade R class," said the principal of The Mossie, Ms L Engelbrecht.
